Swimming, cycling and running in immediate succession over various distances; sweat and pain and the experience of a lifetime when it comes to longer distances; that is the fascination of a triathlon.

The photographer, Anke van Wyk, [www.germanpix.net](http://www.germanpix.net), captured some triathlon moments fairly close. A must-have calendar for real triathletes. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
